15 June 2010
ICTE 2010
B2B Event

Partnering meetings - a first step towards co-operation

ARE YOU INTERESTED IN:

- Discussing your promising technology and talking about your innovative ideas with potential European cooperation partners?
- Finding innovative solutions for a technological problem?
- Searching for business partners?

Meet potential cooperation partners from Hungary and Slovakia in the field of ICT and electrotechnics.

Get access to extensive technology expertise and new business channels!

YOUR BENEFITS:

- Present your innovative ideas/technologies and call the attention of potential European cooperation partners.
- Meet numerous prospective cooperation partners in a SINGLE day - reduce the amount of time and money for finding new partners.
- Professional support through the Enterprise Europe Network - experts in the fields of international technology transfer and business-cooperations.

Event Date: 15 June 2010, 11:00 - 18:00

Event Location: Kosice IT Valley, Technical University Kosice, Letna 9
